

Petroleum Oil Gun Nozzle Automatic Shut Off Diesel Fuel Pump Nozzle

Our Product Introduction

For more products please visit us on refueling-equipment.com

Basic Information

- Place of Origin: China
- Brand Name: Virette

Product Specification

- Features: Trigger Lock, Splash Guard, Automatic Shut-off
- Cylinder: Multi-cylinder
- Model: 11A
- Material: Aluminum
- Hose Length: 10 Feet
- Stamp Number: Dlla150s187
- Flow Rate: 10 Gallons Per Minute
- Component: Fuel Injection Device
- Highlight: **Petroleum Oil Gun Nozzle,
Oil Gun Nozzle Automatic Shut Off,
Automatic Shut Off Diesel Fuel Pump Nozzle**

Product Description

Aluminum Petroleum Flow Nozzle Diesel Fuel Gun with Trigger Lock Splash Guard and Auto Shut off

Features:

Product Name: Fuel Nozzle

Temperature Rating: 0-150 Degrees Fahrenheit

Quality: Guaranteed

Certifications: UL, CSA, CE

Warranty: 1 Year Limited Warranty

Pressure Rating: 50 Psi

This Fuel Nozzle is a reliable and durable option for dispensing diesel fuel and gasoline. With a temperature rating of 0-150 Degrees Fahrenheit, it can handle a range of fuel types and temperatures. The quality is guaranteed and it is certified by UL, CSA, and CE. It also comes with a 1 year limited warranty for added peace of mind. With a pressure rating of 50 Psi, this Fuel Nozzle is a great choice for anyone looking for a reliable Diesel Fuel Gun or Gasoline Hose Nozzle.

Technical Parameters:

Fuel Dispenser Nozzle	
Oil Delivery Spout	
Gasoline Hose Nozzle	
Flow Rate	10 Gallons Per Minute
Stamp Number	D11a150s187
Model	11A
Component	Fuel Injection Device
Hose Length	10 Feet
Nozzle Diameter	1 Inch
Features	Trigger Lock, Splash Guard, Automatic Shut-off
Cylinder	Multi-cylinder
Size	5.5 Inches
Temperature Rating	0-150 Degrees Fahrenheit

Applications:

The Virette fuel nozzle is designed for various fueling scenarios and applications. It can be used in gas stations, industrial plants, and garages. The nozzle's pressure rating is 50 psi, allowing it to dispense fuel efficiently and safely. The flow rate of 10 gallons per minute makes it ideal for quick fueling of vehicles and equipment.

The Virette fuel nozzle is perfect for gasoline hose nozzle and oil delivery spout applications. It can be used for dispensing diesel, gasoline, and other petroleum products. Its versatility makes it a go-to product for fueling different types of vehicles and equipment. Whether you are fueling a car, truck, or industrial equipment, the Virette fuel nozzle can handle the job. Its lightweight design and ergonomic handle make it easy to use, reducing operator fatigue. The nozzle's aluminum construction ensures that it is resistant to corrosion and damage, making it a reliable product for long-term use.

In summary, the Virette fuel nozzle is a top-quality product that is versatile and reliable. Its applications cover gasoline hose nozzle and oil delivery spout scenarios. The product is perfect for fueling a variety of vehicles and equipment in different fueling scenarios. The product is made of aluminum, ensuring durability and longevity. If you are looking for a high-quality fuel dispenser nozzle, the Virette fuel nozzle is the perfect choice.
